PROFESSIONAL SUMMARY

Amazon Creative Operations Leader with 9+ years of Amazon marketplace expertise and a proven track record leading creative execution across agencies, distributors, and private-label brands.

Led distributed creative teams supporting 200+ brands while building scalable content systems, workflow structures, review processes, and operational frameworks that improve delivery consistency and marketplace performance.

Expert in translating CTR, CVR, organic ranking, shopper behavior, and marketplace performance insights into actionable creative strategies. Experienced in Amazon main image optimization, Premium A+ Content, Storefront architecture, Brand Story systems, packaging creative, and conversion-focused visual communication.

AI-first approach utilizing ChatGPT, Claude, and Gemini to improve creative efficiency, workflow scalability, and content production quality. Backed by 15+ years of experience spanning retail creative leadership, brand development, product development, sourcing, manufacturing, and international operations.

PROFESSIONAL EXPERIENCE

Creative Content Director · Senior Graphic Designer

Apr 2024 – Apr 2026

Simpliworks, Inc. | Amazon Advertising Agency | North Carolina, USA

- Led creative operations and Amazon content execution across 100+ brands spanning Seller Central and Vendor Central environments.
- Owned creative quality standards across image galleries, Premium A+ Content, Brand Story modules, storefronts, and marketplace content systems.
- Drove 30%–50% sales growth for Shark Tank-featured brands including Essence Ring, Bondie, Calzuro, and Crafters Workshop through conversion-focused storefront and PDP optimization.
- Managed catalog ecosystems: Sport Your Gear (40,000+ ASINs), Homebody Accents (6,000+ ASINs), Promenaid (800+ ASINs), and Calzuro (400+ ASINs).
- Built scalable workflow systems supporting concurrent creative production across multiple client portfolios; improved efficiency through structured review processes and AI-assisted content workflows.
- Collaborated with PPC, SEO, account management, and brand teams to align creative execution with marketplace growth objectives.
- Served as senior escalation point for creative quality, marketplace compliance, and content strategy decisions.

Senior Graphic Designer

Dec 2022 – Jun 2024

Ballard Products, LLC | Private-Label Amazon Distributor | Michigan, USA

- Led Amazon content execution for nationally recognized brands including Nestlé and White Rain, supporting approximately \$10M+ in annual Amazon revenue.
- Developed image galleries, A+ Content, storefront systems, and marketplace content designed to improve product comprehension and conversion.

Senior Graphic Designer

Aug 2023 – Mar 2024

Prolific Brands, Inc. | Amazon Advertising Agency | California, USA

- Produced conversion-focused image galleries, A+ Content, Brand Story modules, and storefront assets across multiple Amazon client accounts.
- Optimized listings to Amazon compliance standards and category requirements; supported junior designers through structured Asana-based workflow systems.

Visual Content Manager · Senior Graphic Designer

Mar 2022 – Oct 2022

Velocity Sellers, Inc. | Amazon Advertising Agency | New York, USA

- Led Amazon content execution across 100+ brands on Seller Central, Vendor Central, Walmart Marketplace, and private-label ecommerce accounts.
- Managed a distributed creative team of 20+ designers and video editors across Eastern Europe, Asia, and South America — overseeing QC, resource allocation, project delivery, and stakeholder communication.
- Directed A+ Content, Storefront architecture, and Image Gallery strategies for Shark Tank-featured EnergyBits and Berkshire Hathaway-owned Vertx and Flying Cross; presented creative strategies directly to brand owners and executive stakeholders.
- Built operational systems supporting distributed team collaboration and on-time creative delivery across concurrent client engagements.

Creative Director

Mar 2015 – Dec 2021

Hardy Pink, LLC | International Fashion & Retail Brand | Texas, USA

- Owned a 20-person cross-functional team across Germany, China, and the Philippines — accountable for creative quality, production timelines, supplier coordination, and cross-border execution.
- Directed end-to-end product development and packaging across international markets; delivered 20 commercially successful seasonal collection launches.
- Built and enforced quality gate systems across the creative-to-production pipeline; managed supplier and vendor relationships across four countries while supporting international expansion.

Procurement & Product Development Manager

Mar 2009 – Mar 2015

Hardy Pink, LLC | International Fashion & Retail Brand | Texas, USA

- Oversaw sourcing operations and supplier management across Europe and Asia; negotiated vendor agreements and coordinated production schedules supporting scalability, quality standards, and on-time delivery.

CONTRACT WORK

Amazon Marketplace Designer & Content Creator

Jan – Mar 2022

Little Prodigy | Children's Educational Toys | Oita, Japan

- Created product infographics, Amazon Posts content, and marketplace-ready graphics for US and Japanese Amazon storefronts; optimized creative assets to Amazon compliance and marketplace standards.

Content Creator & Designer

2017 – 2025

Merch by Amazon | US, EU & Japan Marketplaces

- Independently designed, listed, and sold approximately 6,000 units across US, European, and Japanese Amazon marketplaces using keyword research, trend analysis, and conversion-focused listing strategies.
